AFFIDAVIT

I, Mitchell L Nixon, being first duly sworn on oath, hereby depose and say:

1. I am a former police officer for the City of Gainesville, Florida. I worked as a police officer at the Gainesville Police Department for 28 years, the last six years as the Commander of the North Florida Internet Crimes Against Children (ICAC) Task Force. During which time I oversaw the operations of the 36 member law enforcement agencies, and participated in investigations centered on the use of technology to abuse children.
2. I am currently employed as the Security Director: Law Enforcement Systems, at TLO and am a certified as an instructor for the Child Protection System (CPS), providing instruction to law enforcement officers prior to providing them access to the system.
3. CPS is used regularly by law enforcement officers as the basis for action against those who victimize children. The work of those investigators has resulted in the rescues of many children who would not have come to law enforcement's attention but for CPS. It has grown from a national to international undercover law enforcement operation, and since April 11,

2011, over 3,200 investigators representing 37 countries have used CPS regularly to investigate the sexual abuse of children.
